

Daphne

PD-1000~PD-1031

Our Daphne fixtures are filled with classical motifs and a truly spacious feel in the overall light design. We wrap the bowls in acanthus leaf filigree strapping and seal the end of the straps with cast fleur-de-lis emblems. Heavy Italian die-cast canopies at top and dolphin rod breaks on the support arms complete the look. These are wonderful lights for conference rooms, hallways, and decorative auditoriums. The indirect lighting the pendants produce is second to none. And you will find a massive array of finish and diffuser options sure to fit most any environment. Try our LED interiors...please.
