Ibiza

PD-10900~PD-10921

Our Ibiza designs kind of blur the line between light and art. While they will not light up a concert hall, they can provide just that touch of ambience for the path that leads to that hall. We build these lights from a variety of materials. The rods are always side emitting acrylic, but they do not have to be clear. By fitting the fixtures with color-changing LEDs, our Ibiza fixtures can provide a constantly changing show of fading or flickering colors. These fixtures are easily customized with circular curling rods...even square shapes. Just ask us. Long life LED boards provide all lamping.

~Ibiza Series~

- Chandelier: CH-10900~CH-10911
- Pendant: PD-10900~PD-10931
- Ceiling Mt: CL-10900~CL-10908
- Wall Mt: SC-10900~SC-10911
- Bollard: BL-10900~BL-10911

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
