

Odense

CH-11500~CH-11531

Our Odense fixtures, especially the chandeliers, are meant for in-place architectural uplighting. The chandeliers themselves are made from solid non-ferrous metals, either brass or aluminum that is trimmed with central hub crystal vases, prisms, and balls. This blend of metals and polished glass makes for a very respectable fixture. But what really makes Odense chandeliers special is the top half-ball that is filled with specification grade uplighting components. Customers needing massive amounts of good indirect foot candles will be delighted by our modular LED options.

~Odense Series~

Chandelier: CH-11500~CH-11531

Pendant: PD-11500~PD-11531

Ceiling Mt: CL-11500~CL-11508

Wall Mt: SC-11500~SC-11511

Bollard: BL-11500~BL-11511
