Kirkwall

SC-11600~SC-11611

Our Kirkwall fixtures are fine pendants, chandeliers, and sconces made for areas with classic flavor and distinguished surroundings. We build Kirkwall fixtures from non-ferrous metals, brass and aluminum. They can be solid powder coated or satin finished...even polished if the need arises. The sconces of this series are also available in wet location mounting for buildings that might need a subtle flare on either side of an exterior entrance. Overall these are some of the nicest things we make at Lightsmith. Completely new with an ultimately early twentieth century style.

~Kirkwall Series~

- Chandelier: CH-11600~CH-11611
- Pendant: PD-11600~PD-11631
- Ceiling Mt: CL-11600~CL-11608
- Wall Mt: SC-11600~SC-11611
- Bollard: BL-11600~BL-11611

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
