

Brighton

SC-11700~SC-11711

Our Brighton fixtures are stately blends of heavy bar straps and metal spinnings. They epitomize the simplicity of classic design. By combining straight lines with curved attachment points and ball finials with hex cap nuts, we maintain an industrial look with Deco flourishes. The wall mount version of these lights makes for amazing good looks in grand entrance ways. Nothing better, we think. And even though these fixtures are majestic on their own, coupling them to distinguished architecture will create an aura of excellence. Lamping and finish options will fuse longevity with elegance.
