

Bimini

PD-1300~PD-1331

Our Bimini fixtures are straight lined fabric drums. We offer them in a several fabric colors. Their clean body lines make them adaptable to multiple room spaces...even areas that are completely traditional in nature. Bimini drums, sconces, and chandeliers offer a diffused light that is completely reminiscent of the table lamps in most homes today. We put a removeable bottom diffuser lens on the pendants as well as a permanently attached and sealed clear upper top lens. Bugs and dirt can collect on top, but should not make it through to cloud up the bottom.
