

Lisburn2

SC-14305~SC-14316

Our Lisburn fixtures are strong linear pendants and sconces featuring dramatic laser cutouts that wrap around the entire frame for a seamless effect. The organic nature of these designs lends itself very well to public garden entrances and parks. We think Lisburn can be a credit to any place needing an attractive front door asset; but they fit especially well into outdoor areas where their curving fingers seem to beckon entrance. The tall sconces of this series also feature up and down accent lights. Beautiful up-wall patterns and functional, safe-passage downlights are striking!
