

Glasgow

CL-15300~CL-15308

Our Glasgow fixtures are round blown glass lenses attached to basic fitters and powered by standard A-lamps or modular LED heatsink/engine combos. We make Glasgow for historic buildings as well as modern restaurants. It is a very flexible fixture from a time period standpoint. The design has been around for over 100 years and continues to be popular just for its simplicity as well as the lumens it produces. We offer these lights in glass and acrylic. While both are identical in light output, from a safety standpoint acrylic is good for high traffic public areas, schools, etc.

~Glasgow Series~

Chandelier: CH-15300~CH-15311

Pendant: PD-15300~PD-15331

Ceiling Mt: CL-15300~CL-15308

Wall Mt: SC-15300~SC-15311

Bollard: BL-15300~BL-15311

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
