

Calypso

CH-200~CH-231

Our Calypso fixtures are not classic designs in the broadest sense of the word, but they are timeless designs in a narrowest sense of the word. Calypso features curving horn castings that support straight edge cone shades of various diameters. There is a central openness to the design that tends to calm the overall busy-ness in the rest of the fixture. Arched supports between ring sections of the multitier styles compliment the horns and stabilize the design. These lights are amazing. We love to build them just to see it happen. Lots of finish and lamping options as always.

~Calypso Series~

- Chandelier: CH-200~CH-231
- Pendant: PD-200~PD-231
- Ceiling Mount: CL-200~CL-208
- Wall Mount: SC-200~SC-211
- Bollard: BL-200~BL-211

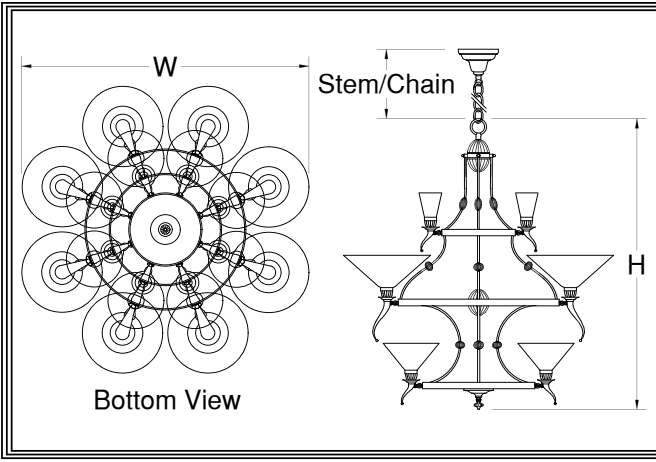

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
