

Montpelier

CH-20800~CH-20831

Our Montpelier chandeliers and sconces are solid brass fixtures featuring sturdy brass tube arms and a combination of castings, spinnings, and brass turnings in the central body. They are all made one at a time here in the shop. Arms are all hand bent to precision stops. And because the arms and bodies are built from scratch, we are able to offer Montpelier fixtures in enormous sizes. Chandeliers can be up to twelve feet in diameter. Sconces can be multi-tiered as well for a palatial feel inside the room. We make Montpelier for areas that require the warmth and glow only a true colonial supplies.
