Mage

CL-3400~CL-3408

Our Mage fixtures are straight lined blends of cylindrical acrylic and interlocking metal frames. The linear nature of these lights makes them fit easily into spaces with tall ceilings and columns. Take advantage of our various lamping options to get as much light as you need to the floor below. Mage fixtures are available in multiple materials and lampings. The cylinder can be Sea Blue (SBA). The frame can be Polished Brass (PBB). We love making combinations of colors and metals that we have not done before. Go ahead and try to catch us off guard. Use our LED systems for longevity!

~Mage Series~

Chandelier: CH-3400~CH-3411	
Pendant: PD-3400~PD-3431	
Ceiling Mount: CL-3400~CL-3408
