

Shantay

CH-3600~CH-3631

Our Shantay fixtures blend a Spanish styling with modern acrylics for a very unique look. The curving wrought iron center ornamentation binds the circumference of the fixtures with the curve of the exterior bowl strap arms for a blacksmithed feel. The chandelier version offers multiple small bowls around the perimeter of a large center drum. The effect is a beautiful starburst pattern from underneath, and terrific light patterns throughout the area. Take advantage of our finish and diffuser options. And remember our LED options for hard-to-get-to places. They last almost forever...
