## PD-700~PD-731

Our CupidsBow pendants are blends of colonial dolphin castings and deco bowed arm supports with a heavy duty rolled bowl surround ring that can be either brass or aluminum. These fixtures look great in hotel lobbies, casinos, and restaurants. We offer many acrylic variations and metal finishes sure to blend well into a seamless look for your room design. If you choose the fluorescent or LED lamping options, be sure to order the top lens option. No bugs, ever. We can also make matching sconces and even chandeliers in this series if need arises.
