

Paris

CH-7200~CH-7211

Our Paris fixtures come in basic configurations: ceiling, pendant, chandelier, etc. They feature tilting gimbal ring holders that also spin up to 358° for complete aiming options. The single ceiling and wall units are compact flood and spot lights, meant for independent aiming adjustments including left and right of stage areas. Paris comes in a variety of colors, grill diffusers, and lamping options. For difficult-to-access areas, we strongly recommend you consider our LED options. The chips and reflectors we use will make focusing a dream. And the LED's themselves will make lamp maintenance a thing of the past.
