

Blake

CL-9800~CL-9808

Our Blake fixtures are lean metal staves attached to hand spun metal trim rings. Interior light passes through a translucent acrylic cylinder lens to produce a smooth and inviting glow, while downlight options in the pendants of the series can throw lots of footcandles to the floor below for very comfortable reading levels. The combination of interior and down light, make for a totally functional luminaire in even the dimmest of places. Be sure to try our CFL and LED options. They will make life much easier for a busy maintenance staff. Blake is good to look at and easy to keep.

~Blake Series~

- Chandelier: CH-9800~CH-9811
- Pendant: PD-9800~PD-9831
- Ceiling Mt: CL-9800~CL-9808
- Wall Mt: SC-9800~SC-9811
- Bollard: BL-9800~BL-9811

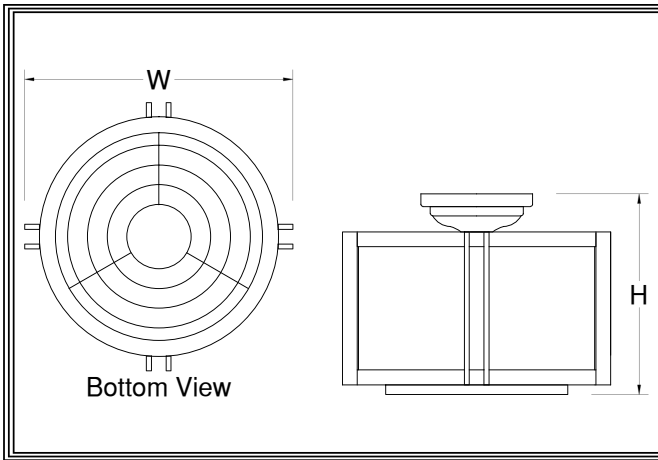

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
