Buckner

2604-CC~2618-CC

Our Buckner ceiling fixtures are made expecially for churches requiring Christian symbolism in their sanctuary without the hindrance and shadow that a pendant fixture might pose to their broadcast screens. Buckner fixtures look good with or without a screen in the auditorium, but we had as a goal in the beginning of Buckner design to make an attractive, meaningful light that would not detract from services while performing the duties of a powerful luminaire. The modular LED versions of this fixture are quite possibly the most powerful downlights in the church market today.

~Buckner Series~

Chandelier:2641-CHC~2673-CHC
Pendant:2601-PC~2617-PC
Ceiling Mt:2604-CC~2618-CC
Wall Mt:2601-WC~2613-WC
S-Pendant:2603-SC~2615-SC

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
