

Port Royal

1201-PT~1217-PT

Our Port Royal fixtures are a union of Christian elements. The bottom cross is easily recognizable, but the three arches at top of the castings have deeper meanings in Crucifixion and Trinity symbolisms. We make these fixtures for a variety of churches and they always seem to fit perfectly in the sanctuary. The lights are extremely bright with deep meanings being projected through each of the side panels. Our lamping options, especially our LED lighting will offer you many years of maintenance free service. And metal/diffuser choices will complement any room.
