

Warwick

2101-PT~2117-PT

Our Warwick fixtures are stately gothic lanterns with historically accurate decorative castings and a multi-chain suspension system for looks and support. We think they are some of the finest high gothic fixtures available in the market today. The castings are cathedral window traceries made small. The acanthus leaf details plus fleur-de-lis necklace decals speak to the authenticity of their design. Warwick lanterns are available in sconce, chandelier, ceiling, and pendant styles. They are made with real stained glass panels and ultra-efficient modular LED lampings.
