Fairfax

2541-CHT~2572-CHT

Our Fairfax fixtures are unique combinations of metals and acrylics. Thick bands with cross pattern cutouts wrap around spun metal rings to produce a two-toned effect and actually emphasize the crosses. We are able to offer Fairfax in a wide variety of metals and acrylics, so you are not limited strictly by the photos we show using antique and satin brass finishes. Staves made from straight bar stock join the rings together; and in so doing create a home for the acrylic cylinder diffuser. LED lamping for these fixtures is incredible. Massive amounts of good, usable light is the rule.

~Fairfax Series~

Chandelier:2541-CHT~2572-CHT
Pendant:2501-PT~2516-PT
Ceiling Mt:2504-CT~2517-CT
Wall Mt:2501-WT~2513-WT
S-Pendant:2503-ST~2515-ST

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
