## 3501-PT~3518-PT

Our Colchester fixtures feature sculpted ornamental crowns with extruded round buttons and open book top curves. The pendants of this series have two trumpet spinnings, one inside the other, mounted at top below the hanger loop. The frames of these lights feature true gothic arches and a diamond/star emblem cutout at bottom. These are beautiful traditional lights meant for interiors needing the splash of jewelry that only a well conceived ornamental fixture can provide. Colchester comes in a wide variety of finishes and lampings. Use our modular LEDs and be happy.
