

Prince George

401-WT~413-WT

Our Prince George lanterns are stylish contemporary and gothic designs made for transitional auditoriums in need of lighting equipment that is just a touch old and just a touch modern. The cast cross motif at top is a strong contemporary statement and the bottom crosshatch scallop band speaks of classic lanterns from the 1930's. Deeply embossed rosettes and sculptured pyramid knobs enhance and unify the look. The Prince George series is available in a variety of finishes and acrylic/glass diffusers. LED and CFL options offer considerable energy and maintenance savings.
