King William
Our King William base as shown as mix a gothic fixture as you'll find anywhere. Heavy cast quatrefoil loop, curled strap crown, top and bottom castings, and arches make these lights just right for period interiors.

King William

804-CT~818-CT

Our King William fixtures offer you the chance to complete your totally gothic interior with an amazingly gothic series of chandeliers, pendants, ceiling, and wall mounted luminaires.

We hand cast all the ornaments and loops here in our foundry ...to order. The lights may be made of aluminum, steel, or brass. Diffuser panels may be glass or acrylic. Metal finishes may be anything from antique brass to satin bronze aluminum. And lamping options can keep your lights maintenance-free for years while providing brightness you won't believe and energy savings you will love.
