

Paris

SC-7200~SC-7211

Our Paris fixtures come in basic configurations: wall, ceiling, pendant, chandelier. They feature tilting gimbal ring holders that also spin up to 358° for complete aiming options. The single ceiling and wall units are compact flood and spot lights, meant for independent aiming adjustments including left and right of stage areas. Paris comes in a variety of colors and lamping options. For high ceiling areas, our LED options will really help. The chips and reflectors we use will make focusing a dream. And the LED's themselves will make lamp maintenance a thing of the past.

~Paris Series~

Chandelier: CH-7200~CH-7211

Pendant: PD-7200~PD-7231

Ceiling Mt: CL-7200~CL-7211

Wall Mt: SC-7200~SC-7211

Bollard: BL-7200~BL-7211

Mounting: Lightsmith fixtures mount to standard 4" octagon electrical boxes unless otherwise specified. All hardware and canopies supplied.

Listing and Warranty: Lightsmith fixtures are Underwriters Laboratories listed and carry a standard three year warranty against defects in materials and labor beginning at date of shipment.
